

Adam Jensen - The Mystic

Tom: G

Em
 Got a head full of spiders
 And a heart that isn't here
 In a room full of liars
 All my demons reappear

Em
 Broken cigarettes
 And bullet holes
Am
 One more to the chest and I'm alone
Em **G**
 Nothing gets me any higher
Am
 And nothing ever will

(**Dbm**)
 Try to stay sober
D
 Try to stay clean
G **C**
 Wake me when it's over
 Like a bad dream
D **Em**
 Mama doesn't call
D
 Sister never writes
G **C**
 Bet ya they would laugh
 If I called to say goodbye
D **Em**
 No one's gonna worry
D
 Notice when I'm gone
