

Adam Lambert - Aftermath

Tom: E

Have you lost your way?
 Livin' in the shadow of the message that you made
 And so it goes
 Everything inside your circle starts to overflow
 Take a step before you leap
 Into the colors that you seek
 You give back what you give away
 So don't look back on yesterday

(refrão)

Wanna scream out
 No more hiding
 Don't be afraid of what's inside
 Gonna tell ya you'll be alright
 In the Aftermath
 Anytime anybody pulls you down
 Anytime anybody says you're not allowed
 Just remember you are not alone
 In the Aftermath

(verso 2)

You feel the weight
 Of lies and contradictions that you live with every day
 It's not too late
 Think of what could be if you rewrite the role you play
 Take a step before you leap
 Into the colors that you seek
 You give back what you give away

So don't look back on yesterday

(refrão)

Wanna scream out
 No more hiding
 Don't be afraid of what's inside
 Gonna tell ya you'll be alright
 In the Aftermath
 Anytime anybody pulls you down
 Anytime anybody says you're not allowed
 Just remember you are not alone
 In the Aftermath
 In the Aftermath

Before you break you have to change your own mind
 Take a trip and fall into the pit
 Tell a stranger that they're beautiful
 So all you feel is love, love
 All you feel is love, love

Wanna scream out
 No more hiding
 Don't be afraid of what's inside
 Wanna tell you you'll be alright
 In the Aftermath

Wanna scream out
 No more hiding
 Don't be afraid of what's inside
 Gonna tell ya you'll be alright
 In the Aftermath

Anytime anybody pulls you down
 Anytime anybody says you're not allowed
 Just remember you are not alone
 In the Aftermath
 In the Aftermath
 Gonna tell ya you'll be alright
 In the Aftermath
 In the Aftermath
 Just remember you are not alone
 In the Aftermath
