

# Adam Lambert - Better Than I Know Myself

Tom: Bb

Cold as ice  
 And more bitter than a December  
 Winter night  
 That's how I treated you  
 And I know that I  
 I sometimes tend to lose my temper  
 And I cross the line  
 Yeah that's the truth

Pré-Refrão:

I know it gets hard sometimes  
 But I could never  
 Leave your side  
 No matter what I say  
 Cause if I wanted to go I would have gone by now,  
 But I really need you near me to  
 Keep my mind off the edge  
 If I wanted to leave I would have left by now,  
 But you're the only one that knows me  
 Better than I know myself

Verso 2:

All along  
 I tried to pretend it didn't matter  
 If I was alone  
 But deep down I know  
 If you were gone  
 For even a day I wouldn't know which way to turn  
 Cause I'm lost without you.

Pré-Refrão:

Eb Gm

I know it gets hard sometimes

But I could never

Leave your side

No matter what I say

Cause if I wanted to go I would have gone by now,

But I really need you near me to

Keep my mind off the edge

If I wanted to leave I would have left by now,

But you're the only one that knows me

Better than I know myself

Ponte:

I get kind of dark

Let it go too far

I can be obnoxious at times

But try and see my heart

Cause I need you need now

So don't let me down

You're the only thing in this world I would die without

Cause if I wanted to go I would have gone by now,

But I really need you near me to

Keep my mind off the edge

If I wanted to leave I would have left by now,

But you're the only one that knows me

Better than I know myself

Cause if I wanted to go I would have gone by now,

But I really need you near me to

Keep my mind off the edge

If I wanted to leave I would have left by now,

But you're the only one that knows me

Better than I know myself
