

Adam Lambert - No Boundaries

Tom: D

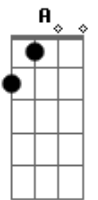

Seconds hours so many days
 You know what you want but how long can you wait
 Every moment last forever if you feel you've lost your way
 What if your chances are already gone
 Started believing that I could be wrong
 But you give me one good reason
 to fight and never walk away
 Coz hear I am - still holding on! (YEAH!)
 Every step you climb another mountain
 Every breathe its harder to believe
 You'll make it through the pain (or through all your aches and pains)
 Weather the hurricane
 To get to that one thing
 When you think the road is going nowhere
 Just when you've almost gave up on your dreams
 Then take it by the hand and show you that you can

Bm
 You can go higher

 You can go deeper
