

# Adam Lambert - Things I Didn't Say

Tom: G

Am  
 Em Maybe I got it wrong How did I turn you off? Cause now you're out of my reach  
 Am  
 Em Maybe I played too safe How did I pull away? Am I too blinded to see?  
 Am  
 Em I'd been hoping you'd catch up somehow Like I'm way too far ahead  
 Am  
 Em Every time I think I'm gaining ground I'm misunderstood again  
 C  
 Em I thought that I said it In the things that I didn't say  
 C  
 Em I thought that you felt it In the games that I didn't play  
 C  
 Em So let the record show I never let you go Can we get back on track?  
 C  
 Em Oh, I thought that I said it In the things that I didn't say  
 C  
 Em Ooh-ooh (hey hey), ooh-ooh (hey hey), ooh-ooh In the things that I didn't say  
 C  
 Em Ooh-ooh (hey hey), ooh-ooh (hey hey), ooh-ooh In the things that I didn't say  
 Am  
 Em What if I shout it out? What if I take a vow? Wouldn't you think it's too much?  
 Am  
 Em What do you want from me? Thought it was going deep Guess it was never enough  
 Am  
 Em I'd been hoping you'd catch up somehow Like I'm way too far ahead
