Tom: Eb

(com acordes na forma de Capostrate na 3ª casa C)

G Am F
When you're gone When you're gone, it's like I'm in one second
in time I'm frozen

G Am F
When you're gone When you're gone, it's like I lost one half
of my mind Stolen

G Am F
Cause nobody feels you like I do Nobody kills me like you do
Nothing I take can ever cut through I'm in trouble

G Am F
I look at myself and I don't know How I'm stuck to you like
velcro
Can't rip you off and go solo I'm in trouble

Am G
I'm hooked on how you made Me hooked, I'm gonna say it
straight

F
I want you, I need you I want you to take me underground

Am G
I'm hooked; I can't cut you off In my blood; I'm gonna say
it now

F
I want you, I need you I want you to take me underground

G Am F
When you go When you go, it's like I put my life on the line
It's over

G Am F
When you go When you go, I'm tripping but I'm pretending I'm

fine So dumb

G Am F
Cause nobody feels you like I do Nobody kills me like you do
Nothing I take can ever cut through I'm in trouble

G Am F
I look at myself and I don't know How I'm stuck to you like
velcro
Can't rip you off and go solo I'm in trouble

Am G
I'm hooked on how you made Me hooked, I'm gonna say it
straight

F
I want you, I need you I want you to take me underground

Am G
I'm hooked; I can't cut you off In my blood; I'm gonna say
it now

F
I want you, I need you I want you to take me underground

Am G F
You got me hooked on you Now I'm in trouble Trouble,
trouble, yeah

Am G
I'm hooked on how you made Me hooked, I'm gonna say it
straight

F
