

Adam Levine - Lost Stars

Tom: C
Intro: C

C
Please, don't see
Just a boy caught up in dreams and fantasy
Please, see me
Reaching out for someone I can't see

Em
Take my hand,
Let's see where we wake up tomorrow
Best laid plans
Sometimes are just a one night stand
I'll be damned
Cupid's demanding back his arrow
So let's get drunk on our tears

C C
And, God, tell us the reason
Youth is wasted on the young
It's hunting season and this lamb is on the run
We're searching for meaning
But aren't we all lost stars
Trying to light up the dark?

C
Who are we?
Just a speck of dust within the galaxy
What is me?
If we're not careful turns into reality

Em C
Don't you dare let our best memories bring you sorrow
Yesterday I saw a lion kiss a deer
Turn the page

Maybe we'll find a brand new ending
Where we're dancing in our tears
C C
And, God, tell us the reason
Youth is wasted on the young
It's hunting season and this lamb is on the run
We're searching for meaning
But aren't we all lost stars
Trying to light up the dark?

C C
I thought I saw you out there crying
I thought I heard you call my name
C Em
I thought I heard you out there crying
We're just the same
C C
And, God, give us the reason
Youth is wasted on the young
It's hunting season and this lamb is on the run
We're searching for meaning
But aren't we all lost stars
Trying to light up the dark?

C C
I thought I saw you out there crying
I thought I heard you call my name
C Em
I thought I heard you out there crying
Aren't we all lost stars
Trying to light up the dark?
