

Adam Sandler - Somebody Kill Me

Tom: A

^E You don't know how much I need you.

^E While you're near me I don't feel blue.

^E And when we kiss I know you need me too.

^E Can't believe I found a love that's so pure and true.

^E But it all was bullshit.

^E It was a goddamned joke.

^E

And when I think of you Linda,

^E I hope you fucking choke.

I hope you're glad with what you've done to me.

I lay in bed all day long feeling melancholy.

You left me here all alone, tears running constantly.

Oh somebody kill me please,

somebody kill me plee-ase,

I'm on my knees,

pretty pretty please kill me.

I want to die.

Put a bullet in my head.
