

Adão Quevedo - Relógio do Tempo

tom:

Intro: Dm Bbadd9

Ouçã o relógio do tempo
Cobrando cada segundo
Com seus ponteiros de vento
Desde a aurora do mundo

0 tempo por ser vaqueano
Não se perde por atalhos
Ronda a tropilha dos anos
Com seus cabelos grisalhos

São só espaços de tempo
0 que chamamos de vida
Dois pontos entre os momentos
De chegada e de partida

São só espaços de tempo
0 que chamamos de vida
Dois pontos entre os momentos
De chegada e de partida

A D7 Gm
B E E7 A7 Gm F A7 Dm

0 tempo habita as taperas
Recorre às invernadas
Nasce o poncho das eras
Ondas de nuvens tardadas

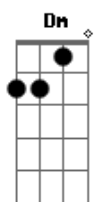

0 tempo a galopito
Reponta a lua e o sol
Borda estrelas do infinito
Pinta as cores do arrebol

São só espaços de tempo
0 que chamamos de vida
Dois pontos entre os momentos
De chegada e de partida

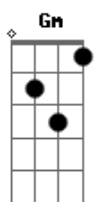

São só espaços de tempo
0 que chamamos de vida
Dois pontos entre os momentos
De chegada e de partida

Dois pontos entre os momentos
De chegada e de partida
