

Adcanto - Canção Morena

Tom: D

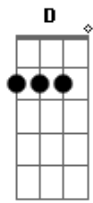

D **G** **A**
 pra te cantar oh morena
D **G** **A**
 de olhar de puro oceano
E **Gbm** **Em Bm**
 nem durmo de quarentena
G **A** **D G D**
 ensaio versos te chamo

E **A** **B**
 feito a cigarra nas tardes

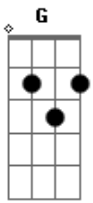

E **A** **B**
 antes do sol se esconder
A **Abm** **Gbm Dbm**
 fico ensaiando meu canto
A **B** **A E**
 como lição de viver

B **A** **E**
 sinto tambores no peito quando te vejo por perto
A **Abm** **Gbm Dbm**
 fico sem fala e sem jeito
A **B** **A E**
 mas quando canto dá certo
