My boy's a winner, he loves the game  
 My lips reflect off his cross gold chain  
 I like the way he's telling me  
 My ass looks good in these ripped blue jeans  
 My cheeks are red like cherries in the spring  
 Body's a work of art you'd die to see

Cm Gm  
 Untouched, X-0

Bb F  
 Young lust, let's (ah)

Cm Gm  
 When we drive in your car, I'm your baby (so sweet)  
 Losing all my innocence in the backseat  
 Say you love, say you love, say you love me (love me)  
 Losing all my innocence in the backseat  
 When we drive in your car, I'm your baby (so sweet)  
 Losing all my innocence in the backseat  
 Say you love, say you love, say you love me (love me)  
 Losing all my innocence in the backseat

 Break all the rules till we get caught  
 Fog up the windows in the parking lot
