

Adele - Can I Get It

tom:

Intro: Am G Dm Am

Am G Dm
Pave me a path to follow
Am G Dm
And I'll tread any dangerous road
Am G Dm
I will beg and I'll steal, I will borrow
Am G Dm
If I can make, if I can make your heart my home

Am G Dm
Throw me to the water
Am G Dm
I don't care how deep or shallow
Am G Dm
Because my heart can pound like thunder
Am G Dm
And your love, and your love can set me free

[Pré-Refrão]

Am G Dm
I have promised I will love you till the end of time
Am G Dm
Through it all, the good, the bad, the ugly, and divine
Am G Dm
I will be the melody, the rhythm, and your rhyme
Am G Dm
All I want is for you to be mine

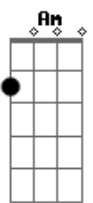

[Refrão]

F Am G
So can I get it right now?
F Am G
Can I get it right now?
Can I get it?
F Am G
Can I get it right now?
F Am G
Can I get it right now?
Let me, let me just come and get it

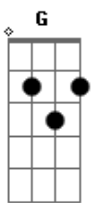

F Am G
Can I get it?

Am G Dm
You tease me with your control
Am G Dm
Because I long to live under your spell
Am G Dm
And without your love I'm hollow
Am G Dm
I won't make it, I won't make it on my own
