

Adele - I Drink Wine

tom:

Intro: G D Em
Am G D

[Primeira Parte]

How can one become so bounded by choices
That somebody else makes?
How come we both become a version
Of a person we don't even like?

We're in love with the world
But the world just wants to bring us down
By puttin' ideals in our heads
To corrupt our hearts somehow

When I was a child every single
Thing could blow my mind
Soaking it all up for fun
But now I only soak up wine

They say to play hard, you work hard
Find balance in the sacrifice
And yet I don't know anybody
Who's truly satisfied

[Pré-Refrão]

You better believe I'm trying (trying, trying)
To keep climbing (climbing, climbing)
But the higher we climb feels like
We're both none the wiser (wiser)

[Refrão]

So I hope I learn to get over myself
Stop trying to be somebody else
So we can love each other for free
Everybody wants something, you just want me

Why am I obsessing about
The things I can't control?
Why am I seeking approval
From people I don't even know?

In these crazy times I hope

Acordes

I can find something I can cling onto
'Cause I need some substance in my life
Something real, something that feels true

[Pré-Refrão]

You better believe for you
I've cried (I've cried, I've cried)
High tides (high tides, high tides)
'Cause I want you so bad

But you can't fight fire with fire

[Refrão]

I hope I learn to get over myself
Stop trying to be somebody else
Oh, I just want to love you, love you for free
'Cause everybody wants something from me
You just want me

[Ponte]

Listen, I know how low I can go
I give as good as I get
You get the brunt of it all
'Cause you're all I've got left
Oh, I hope in time (hope in time)
We both will find (we'll both find) peace of mind
Sometimes the road less traveled
Is the road best left behind

[Refrão]

Oh, I hope I learn to get over myself
Stop trying to be somebody else
Oh, I just want to love you
Love you for free, yeah
Everybody wants something, you just want me

[Final]

You better believe I'm trying (trying, trying)
To keep climbing (climbing, climbing)
But the higher we climb
Feels like we're both none the wiser
