

Adele - I'll Be Waiting

Tom: A

Verso 1:

A G D G
 Hold me closer one more time,
 A G D G
 Say that you love me in your last goodbye,
 A G D G
 Please forgive me for my sins,
 A G
 Yes, I swam dirty waters,
 D G
 But you pushed me in,

Verso 2:

I've seen your face under every sky,
 Over every border and on every line,
 You know my heart more than I do,
 We were the greatest, me and you,

Ponte:

E
 But we had time against us,
 D
 And miles between us,
 A
 The heavens cried,
 E
 I know I left you speechless,
 G D
 But now the sky has cleared and it's blue,
 A G
 And I see my future in you,

Refrão:

E D A
 I'll be waiting for you when you're ready to love me again,
 E
 I put my hands up,
 D A
 I'll do everything different,
 G
 I'll be better to you,
 E D A
 I'll be waiting for you when you're ready to love me again,
 E
 I put my hands up,
 D A

I'll be somebody different,

G E
 I'll be better to you,

Verso 3:

Let me stay here for just one more night,
 Build your world around me,
 And pull me to the light,
 So I can tell you that I was wrong,
 I was a child then, but now I'm willing to learn,

Ponte:

But we had time against us,
 And miles between us,
 The heavens cried, I know I left you speechless,
 But now the sky has cleared and it's blue,
 And I see my future in you,

Refrão:

I'll be waiting for you when you're ready to love me again,
 I put my hands up,
 I'll do everything different,
 I'll be better to you,
 I'll be waiting for you when you're ready to love me again,
 I put my hands up,
 I'll be somebody different,
 I'll be better to you,

Ponte:

Time against us,
 Miles between us,
 Heavens cried,
 I know I left you speechless,
 Time against us,
 Miles between us,
 Heavens cried,
 I know I left you speechless,
 I know I left you speechless,
 I'll be waiting,

Refrão:

I'll be waiting for you when you're ready to love me again,
 I put my hands up,
 I'll do everything different,
 I'll be better to you,
 I'll be waiting for you when you're ready to love me again,
 I put my hands up,
 I'll be somebody different,
 I'll be better to you.
