

# Adele - Never Gonna Leave You

Tom: C

I know <sup>C</sup> sometimes you're scared of the light <sup>Am</sup>  
 But how will you ever know if you never try? <sup>C</sup>  
 There's <sup>C</sup> something new  
 Inside my heart <sup>Am</sup>  
 And it cries like a child <sup>F</sup>  
 Whenever we're apart <sup>C</sup>  
 I see your face under every sky <sup>Am</sup>  
 I find the less I look, the more I find <sup>C</sup>

So let's go back there, back to the start <sup>C</sup> <sup>Am</sup>  
 I swear I'm never gonna leave you <sup>F</sup>  
 You're the only one I want <sup>Am</sup> <sup>G</sup>  
 Let's go back there, back to the start <sup>C</sup> <sup>Am</sup>  
 You know I'm never gonna leave you <sup>F</sup>  
 'Cause you're the only one I want <sup>Am</sup> <sup>G</sup>

You know sometimes that I'm scared of the dark <sup>C</sup> <sup>Am</sup>  
 But I'm feeling so brave when I'm in your arms <sup>F</sup> <sup>C</sup>  
 You said my name in the death or glory <sup>C</sup> <sup>Am</sup>  
 You hold me alright <sup>F</sup>  
 When I'm short of falling <sup>C</sup>

So let's go back there, back to the start <sup>C</sup> <sup>Am</sup>  
<sup>F</sup>

I swear I'm never gonna leave you  
 You're the only one I want <sup>Am</sup> <sup>G</sup>  
 Let's go back there, back to the start <sup>C</sup> <sup>Am</sup>  
 I swear I'm never gonna leave you <sup>F</sup>  
 'Cause you're the only one I want <sup>Am</sup> <sup>G</sup>

There will be times <sup>Am</sup>  
 When we'll try to give it up <sup>C</sup> <sup>Bm</sup>  
 Bursting at the seams <sup>F</sup>  
 No doubt that will almost fall apart <sup>Am</sup> <sup>G</sup>  
 Then burn to pieces <sup>Am</sup>  
 And we'll watch them turn to dust <sup>C</sup> <sup>Bm</sup>  
 But without each other <sup>F</sup>  
 Nothing is easy enough <sup>Am</sup> <sup>G</sup>

So let's go back there, back to the start <sup>C</sup> <sup>Am</sup>  
 I swear I'm never gonna leave you <sup>F</sup>  
 'Cause you're the only one I want <sup>Am</sup> <sup>G</sup>  
 Let's go back there, back to the start <sup>C</sup> <sup>Am</sup>  
 I swear I'm never gonna leave you <sup>F</sup>  
 'Cause you're the only one I want <sup>Am</sup> <sup>G</sup>

You're the only one <sup>C</sup>  
 Never gonna leave you <sup>Am</sup>  
 No, I'm never gonna leave you, no <sup>F</sup> <sup>Am</sup> <sup>G</sup>
