

# Adele - River Lea

Tom: G

G  
 Everybody tells me it's about time that I moved on  
 D  
 And I need to learn to lighten up and how to be young!  
 Em  
 But my heart is a valley...  
 C  
 It's so shallow and man made  
 G  
 I'm scared to death if I let you in that  
  
 you'll see I'm just a fade  
 D  
 Sometimes I feel lonely in the arms of your touch  
 Em C  
 But I know that's just me cause nothing ever is enough  
  
 G  
 When I was a child I grew up by the River Lea  
 D  
 There was something in the water, now that something's in me  
 Em  
 Ohhhhh I can't go back, but the reeves  
  
 are growing out of my fingertips  
 C  
 I can't go back to the river  
  
 G  
 But it's in my roots, it's in my veins  
 D  
 It's in my blood  
 Em  
 And I stain every heart that I use to heal the pain  
 C  
 It's in my roots  
 G  
 It's in my veins  
 D Em  
 It's in my blood and I stain every heart that  
 C  
 I use to heal the pain  
  
 G  
 So I blame it on the River Lea  
 D  
 The River Lea, the River Lea  
 Em

Yeah I blame it on the River Lea  
 C  
 The River Lea, the River Lea  
 G  
 So I blame it on the River Lea  
 D  
 The River Lea, the River Lea  
 Em  
 Yeah I blame it on the River Lea  
 C  
 The River Lea, the River Lea  
  
 G  
 I should probably tell you now before it's way too late  
 D  
 That I never meant to hurt you or lie straight to your face  
 Em  
 Consider this my apology  
 C  
 I know it's years in advance  
 G  
 But I'd rather say it now in case I never get the chance  
 D  
 No I can't go back, but the reeves  
 Em  
 are growing out of my fingertips  
 C  
 I can't go back to the river!  
  
 G  
 But it's in my roots, it's in my veins  
 D  
 It's in my blood and I stain every  
  
 heart that I use to heal the pain  
 Em  
 It's in my roots, it's in my veins  
 C  
 It's in my blood and I stain every  
  
 heart that I use to heal the pain  
  
 G  
 So I blame it on the River Lea  
 D  
 The River Lea, the River Lea  
 Em  
 Yeah I blame it on the River Lea  
 C  
 The River Lea, the River Lea
