

Adele - Rolling In The Deep

tom:
Cm

There's a fire starting in my heart
Bb Cm Gm
Reaching a fever pitch and it's bringing me out the dark
Cm Gm Bb Gm
Finally, I can see you crystal clear
Bb Gm Bb
Go ahead and sell me out and I'll lay your shit bare

See how I'll leave with every piece of you
Cm Gm Bb
Don't underestimate the things that I will do
Cm Gm Bb
There's a fire starting in my heart
Bb Gm Bb
Reaching a fever pitch and it's bringing me out the dark

The scars of your love remind me of us
Ab Bb Gm
They keep me thinking that we almost had it all
Ab Bb Gm
The scars of your love, they leave me breathless
G
I can't help feeling

We could've had it all
Cm Bb Ab
Rolling in the deep
Bb Cm Bb
You had my heart inside of your hand
Ab Bb
And you played it to the beat

Baby, I have no story to be told
Cm Gm Bb
But I've heard one of you and I'm gonna make your head burn
Cm Gm Bb
Think of me in the depths of your despair
Bb Gm Bb
Making home down there, as mine sure won't be shared

The scars of your love remind me of us
Ab Bb Gm
They keep me thinking that we almost had it all
Ab Bb Gm
The scars of your love, they leave me breathless
Bb Gm G

I can't help feeling

We could've had it all
Cm Bb Ab
Rolling in the deep
Bb Cm Bb
You had my heart inside of your hand
Ab Bb
And you played it to the beat

We could've had it all
Ab Bb Cm Bb
Rolling in the deep
Ab
You had my heart inside of your hand
Bb
But you played it with a beating

Throw your soul through every open door

Count your blessings to find what you look for
Turn my sorrow into treasured gold
You pay me back in kind and reap just what you sow

(You're gonna wish you never had met me)
Bb
We could've had it all
Ab
We could've had it all
Bb Cm Bb
We could've had it all
Ab
It all, it all, it all

We could've had it all

You had my heart inside of your hand
