

Adele - Set Fire To The Rain

tom:

I let it fall, my heart
 And as it fell, you rose to claim it
 It was dark and I was over
 Until you kissed my lips and you saved me
 My hands, they're strong, but my knees were far too weak
 To stand in your arms without falling to your feet

But there's a side to you that I never knew, never knew
 All the things you'd say, they were never true, never true
 And the games you'd play, you would always win, always win

But I set fire to the rain
 Watched it pour as I touched your face
 Well, it burned while I cried
 'Cause I heard it screaming out your name, your name

When I lay with you I could stay there
 Close my eyes
 Feel you here forever
 You and me together, nothing is better

'Cause there's a side to you that I never knew, never knew
 All the things you'd say, they were never true, never true
 And the games you'd play, you would always win, always win

But I set fire to the rain
 Watched it pour as I touched your face
 Well, it burned while I cried
 'Cause I heard it screaming out your name, your name
 I set fire to the rain
 And I threw us into the flames
 Well, It felt something died
 'Cause I knew that that was the last time, the last time

Sometimes I wake up by the door
 That heart you caught, must be waiting for you
 Even now when we're already over
 I can't help myself from looking for ya

I set fire to the rain
 Watched it pour as I touch your face
 Well, it burned while I cried
 'Cause I heard it screaming out your name, your name
 I set fire to the rain
 And I threw us into the flames
 Well, I felt something died
 'Cause I knew that that was the last time, the last time, oh
 Oh, no
 Let it burn, oh
 Let it burn
 Let it burn
