

Adele - Someone Like You

Tom: Bb

(com acordes na forma de Capotraste na 3ª casa Intro: / Versos:

Pré-Refrão:

Refrão:

Verso 1:

I heard that you're settled down
That you found a girl
And you're married now
I heard that your dreams came true
Guess she gave you things
I didn't give to you

Old friend why are you so shy
It ain't like you to hold back
Or hide from the light

Pré-Refrão:

I hate to turn up out of the blue uninvited but
I couldn't stay away I couldn't fight it
I'd hoped you'd see my face
And that you'd be reminded that for me it isn't over

Refrão:

Never mind I'll find someone like you
I wish nothing but the best for you too
Don't forget me I beg I remember you said
Sometimes it lasts in love but sometimes it hurts instead
Sometimes it lasts in love but sometimes it hurts instead,
yeah

Verso 2:

You'd know how time flies
Only yesterday
was the time of our lives

We were born and raised
In a summer haze
Bound by the surprise of our glory days
Pré-Refrão:

I hate to turn up out of the blue uninvited but
I couldn't stay away I couldn't fight it
I'd hoped you'd see my face
And that you'd be reminded that for me it isn't over

Refrão:

Every night I find someone like you
I wish nothing but the best for you too
Don't forget me I beg I re-member you said
Sometimes it lasts in love but sometimes it hurts in-stead,
yeah

Ponte:

Nothing compares no worries or cares
Regrets and mistakes their memories make
Who would have known how
Bitter-sweet this would taste

Refrão:

Never mind I'll find someone like you
I wish nothing but the best for you too
Don't forget me I beg I re-member you said
Sometimes it lasts in love but sometimes it hurts in-stead

Never mind I'll find someone like you
I wish nothing but the best for you too
Don't forget me I beg I re-member you said
Sometimes it lasts in love but sometimes it hurts in-stead
Sometimes it lasts in love but sometimes it hurts in-stead
Sometimes it lasts in love but sometimes it hurts instead
Sometimes it lasts in love but sometimes it hurts instead

Yeah Yeah
