

# Adhemar de Campos - Sopra Teu Vento

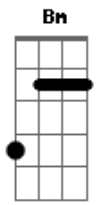

tom: Em

Sopra teu vento  
 Acende o fogo  
 Teus rios de água viva fluam de mim  
 Que o teu amor inunde o meu ser

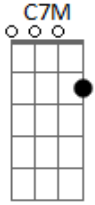

Como o fogo

Refina o ouro  
 Arda em mim Essa chama de amor  
 E purifique meu coração  
 Te quero, te amo, te desejo, te adoro  
 Acende em mim essa chama de amor  
 Arda dentro de mim o teu amor, ó meu amado  
 Arda dentro de mim o teu amor
