

Adilson Ramos - Tortura de Amor

Tom: C

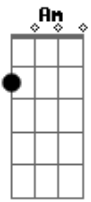

Hoje que a noite está calma
 E que minh'alma esperava por ti
 Apareceste afinal
 Torturando este ser que te adora
 Volta fica comigo
 Só mais uma noite
 Quero viver junto a ti

Volta meu amor
 Fica comigo não me desprezes
 A noite é nossa
 E o meu amor pertence a ti
 Hoje eu quero paz
 Quero ternura em nossas vidas
 Quero viver por toda vida
 Pensando em ti
