

# ADM Alan Andrade - Flor

tom: Cm

Ninguém notou, ninguém cantou  
 Mas, eu estou de novo amor  
 Uma vida inteira de paixão  
 Eu sou amante de quem me amou

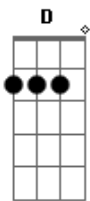

Ainda sinto o seu perfume, da minha cor  
 O seu belo, liso, assanhado  
 O seu vestido, você  
 Lembra, fui eu, quem tirou  
 A mesa eu, escuto, jogo  
 Tiro de ouvido, uma canção

0 tema incrível é você, verdadeiro amor  
 Saiba que hoje eu acordo pronto  
 De cabelo amarrado  
 É atua força que grita no meu  
 Jardim de flor

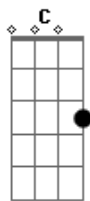

[Refrão]

Flor, flor, flor  
 É todo seu o meu, amor  
 Oh! flor  
 Flor, flor, flor  
 É todo seu o meu, amor
