

Adoniran Barbosa - Vila Esperança

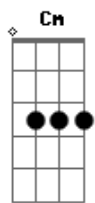

tom:

Intro: Cm F Ab G7 Cm

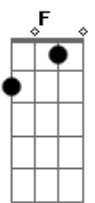

Vila Esperança, foi lá que eu passei
 O meu primeiro carnaval
 Vila Esperança, foi lá que eu conheci
 Maria Rosa meu primeiro amor
 Como fui feliz naquele fevereiro
 Pois tudo para mim era primeiro
 Primeira rosa, primeira esperança
 Primeiro carnaval, primeiro amor criança

Numa volta no salão ela me olhou
 Eu envolvi seu corpo em serpentina
 E tive a alegria que tem todo Pierrot
 Ao ver que descobriu sua Colombina
 O carnaval passou levou a minha rosa
 Levou minha esperança
 Levou o amor criança
 Levou minha Maria
 Levou minha alegria
 Levou a fantasia
 Só deixou uma lembrança
