

# Adoniran Barbosa - A Luz da Light

tom:

Intro: D B7 Em A7

Lá no morro quando a luz da light pifa  
 Nós apela pra vela, que alumeia também  
 Quando tem  
 Se não tem não faz mal  
 A gente samba no escuro  
 Que é muito mais legal

E é natural

Quando isso acontece  
 Há um grito de alegria  
 A torcida é grande pra luz voltar  
 Só no outro dia  
 Mas o dono da casa  
 Estranhando a demora e achando impossível  
 Desconfia logo que alguém passou a mão no fuzil  
 No relógio da luz
