Como é bom ser alvi-negro

Ontem, hoje e amanhã

Respirar no ar mistura

Do Tietê com Tatuapé

Lá do alto a velha Penha

Do Anchieta e Bandeirantes

Ver São Jorge lá da Lua

Abençoando a fazendinha

Onde mora um gigante

Tem igreja e tem biquinha

Coríntia, Coríntia

Meu amor é o Timão

Coríntia, cada minuto

Dentro do meu coração

Belém, Vila Maria e Mooca

Em São Paulo extensão

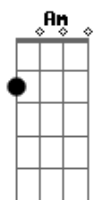

Mogi, Guarulhos, Itaquera

Tudo vibra Coringão

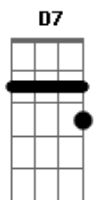

É o Coríntia de nós tudo

É paulista, é campeão
