

Adoniran Barbosa - O Casamento do Moacir

Tom: A
Intro: A

A turma da favela convidaram-nos
 Para irmos assistir
 O casamento da Gabriela com o Moacir
 Arranjemos uma beca preta
 E um sapato branco bem apertado no pé
 E se apreparemos para ir
 Na catedral lá da vila Ré

Quando os noivos estava no artar
 O padre começou a perguntar

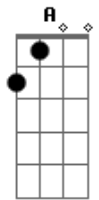

Umás coisas assim em latim

Qualquer um de vodis aqui presenti
 Tem alguma coisa de falar contra esses bodis?
 Seu padre, apara o casamento!
 O noivo é casado, pai de sete arrebento
 Fora o que está pra vir
 O pai é esse aí - o Moacir!

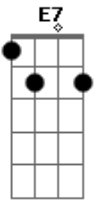

Que vexame!
 A noiva começou a soluçar
 Porque o noivo não passou no exame nupciar
 Já acabou-se a festa
 Porque nós descobriu

O Moacir era casado
 Cinco vez, lá no estado do Rio
