

Adoniran Barbosa - Véspera de Natal

Tom: G

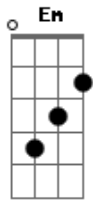

Eu me lembro muito bem
 Era véspera de natal Cheguei em casa
 Encontrei minha nega zangada, a criançada chorando,
 A Mesa vazia, não tinha nada.
 Saí, fui comprar bala mistura,
 Comprei também um pãozinho de mel
 E cumprindo a minha jura,

Me fantasiei de papai noel
 Chamei a minha nega de lado Eu vou subir no telhado
 E descer na chaminé
 Enquanto isso você apanha a criançada e ensaia o dingo-bel
 Ai meu deus que sacrifício O orifício da chaminé era pequeno
 A nega viu meu desespero correu e alertou o cortiço inteiro
 Pra me tirar de lá Foi preciso chamar, Os bombeiros
 Pra me tirar de lá Foi preciso chamar, Os bombeiros
