

# Adore Delano - I Can't Love You

Tom: C

**Am**  
Baby, you're a work of art

**F**  
A shooting star

**C**  
Lighting up the darkness

**G**  
So lucky that we found this, yeah

**Am**  
You know you've got me losing sleep

**F** **C**  
I can't believe the beauty of this moment

**G**  
It's all I've ever wanted

**G**  
But I can't love you

**Am**  
I can't love you today

**F**  
I can't love you tomorrow

**C**  
I can't love you anyway

**G**  
I can't love you anyhow

**G**  
I can't love you, love you

**Am**  
I love the way you touch my lips

**F**  
You live to kiss

**C**  
The freckles on my shoulder

**G**  
So I can pull you closer, yeah

**Am** **F**  
Some people search all their lives for what we've got

**C**  
A fairytale in motion

**G**  
With hearts deep as the ocean

**G**  
But I can't love you

**Am**  
I can't love you today

**F**  
I can't love you tomorrow

**C**  
I can't love you anyway

**G**  
I can't love you anyhow

**G**  
I can't love you, love you
