

# Adore Delano - Practical Magical

tom:

Am

[Primeira Parte]

Am E  
Never gonna be your wife  
G D  
I stray far away from guys  
Am E  
One greenish half blue eye  
G D  
Impossible for me to find

F E  
I fight to make it so nobody else can see you  
Am E  
I like the way that I can have my cake and eat it too  
F E  
And all the ways you stare and blink your eyes through to me  
Am E  
It's sad the way my brain has drained availability  
Am E  
Our hearts protected by my magic practicality

[Refrão]

Am E  
Time flies tripping over blush wine  
G  
Sparkling my green eyes  
D  
Turning tricks at midnight  
Am E  
Time flies chilling with the bi guys  
G  
Getting drunk on high life  
D  
Making all the queens cry

F Am  
Jump in the ocean with me tonight  
E D  
Skinny dipping tripping 'til we see sunlight  
F Am  
Give you permission to waste my life  
E D  
Make-believe imaginary love in my mind

[Segunda Parte]

Am E  
Like a hot press perfect curl  
G D  
Wrap my life up in a swirl  
Am E  
Lay the oyster I'm your pearl  
G D  
Swimming underneath the world

F E  
I fight to make it so nobody else can see you  
Am E  
I like the way that I can have my cake and eat it too  
F E  
And all the ways you stare and blink your eyes through to me  
Am E  
It's sad the way my brain has drained availability  
Am E
