Take it all, take it all, take it all

Purify my soul

Take it all, take it all, take it all

I am here to follow your call

I place myself inside your hands

Like a grain in a pestle and mortar

Reduce me to your fine white sands

I am here to follow your orders

Take it all, take it all, take it all

Purify my soul

Take it all, take it all, take it all

I am here to follow your call

Take the mistakes I may have made

Through ignorance and pride

Through foolishness, willfulness

Anger, greed and lies

Take it all, take it all, take it all

Purify my soul

Take it all, take it all, take it all

I am here to follow your call

And the sound of the water beating on the rocks

By the rivers and the waterfalls

Is the sound of my mind opening locks

At the heed of the divine call

Take it all, take it all, take it all

Purify my soul

Take it all, take it all, take it all

I am here to follow your call

Now wash me clean in the deepest stream

Of the rivers of the divine soul

For I find that the time has arrived to align

With the spirit of the divine call
