

# Adson e Alana - País do Agro

tom:

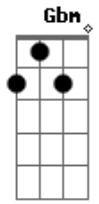

Gbm

Me desculpe a bossa nova e a MPB  
 Mais o sertanejo é o som do Brasil  
 A gente lança a moda sem tá na TV  
 Nosso jeitão caipira agora explodiu  
 Bota Adson & Alana e rasga os alto falante

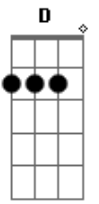

A nossa pegada é forte

Bota cerveja gelar, churrasco e batidão  
 Nós é o pipoco do trovão  
 Nome é Brasil, sobrenome rural  
 Não é mais o país do carnaval  
 No mundo inteiro é respeitado  
 Brasil agora é o país do agro
