

Adson e Alana - País do Agro

tom:

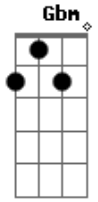

Gbm

Me desculpe a bossa nova e a MPB
 Mais o sertanejo é o som do Brasil
 A gente lança a moda sem tá na TV
 Nosso jeitão caipira agora explodiu
 Bota Adson & Alana e rasga os alto falante

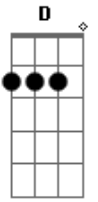

A nossa pegada é forte

Bota cerveja gelar, churrasco e batidão
 Nós é o pipoco do trovão
 Nome é Brasil, sobrenome rural
 Não é mais o país do carnaval
 No mundo inteiro é respeitado
 Brasil agora é o país do agro
