

Adventure Time - Everything Stays

Tom: G

Let's go in the garden
 You'll find something waiting
 Right there where you left it
 Lying upside down
 When you finally find it
 You'll see how it's faded
 The underside is lighter
 When you turn it around

Everything stays
 Right where you've left it
 Everything stays
 But it still changes
 Ever so slightly
 Daily and nightly
 In little ways

When everything stays

Go down to the ocean
 The cristal tide is rising
 The waters gotten higher
 As the shore washes out
 Keep your eyes wide open
 Even when the sun is blazing
 The moon controls the tide
 It could cause you to drown

Everything stays
 Right where you've left it
 Everything stays
 But it still changes
 Ever so slightly
 Daily and nightly
 In little ways
 When everything stays
