I don't know what to do without you

I don't know where to put my hands

I've been trying to lay my head down

But I'm writing this at 3am

I don't need the world to see

That I've been the best I can be, but

I don't think I could stand to be

Where you don't see me

On sunny days I go out walking

I end up on a tree-lined street

I look up at the gaps of sunlight

I miss you more than anything

I don't need the world to see

That I've been the best I can be, but

I don't think I could stand to be

Where you don't see me

And autumn comes when you're not yet done

With the summer passing by, but

I don't think I could stand to be

Where you don't see me
