

Adventure Time - On a Tropical Island

Tom: G

On a tropical island, underneath the molten lava moon
 Hangin' with the hula dancers
 Asking questions 'cause they got all the answers
 Puttin' on lotion! Sittin' by the ocean!
 Rubbin' it on my body

Rubbin' it on my body
 Get me out of this ca-a-ve
 'Cause it's nothing but a gladiator gra-a-ve
 And if I stick to the pla-a-n
 I think I'll turn into a lava ma-a-n
 I think I'll turn into a lava man!
