Adventure Time - Susan Strong

Tom: G

```
   G             D
Susan strong, this is where you belong
C                           D
Hangin' with me, on a fallen tree
G
Don't you think you deserve this?
D
To live up here in the surface?
C                                    D
```

```
I think you do, and I think all your friends do too!
C                              G
How long have you lived in the darkness?
C                             G
I just want to show you the light!
        D                     C
Because you're a human just like me, Susan
      C       D     G
And I want you in my life
G             D          C
Susan strong, you turn my heart on
```
