

Adventure Time - Time Adventure

tom:

C Time is an illusion that helps things makes sense F G7 C Am So we're always living in the present tense F G7 C Am It seems unforgiven when a good thing ends F G7 C Am But you and I will always be back then F G7 C Am You and I will always be back then F G7 C Am You and I will always be back then F G7 C Am You and I will always be back then F G7 C Am
Singing will happen, happening, happened
F G7 C Am Will happen, happening, happened F G7 C Am And will happen again and again F G7 C Am
'Cause you and I will always be back then **C7**

To take us back to where we were C7 And hang each moment up like pictures on the wall Dm Inside a billion tiny frames so that we could see it all, all, It would look like G7 C Will happen, happening, happened Am Will happen, happening, happened F G7 C Am And will happen again and again **G7** 'Cause you and I will always be back then **G7** 'Cause you and I will always be back then F G7 C Am Cause you and I will always be back then D7 You and I will always be best friends
