(essa parte repetem-se os mesmos acordes)

You crash and burn  
with the pages turned  
in your black book full of names  
and then you throw your frozen heart  
out in somebody else's flames  
and it's a low down dirty, dirty shame.  
don't let this love slip through the tracks  
i miss your claw marks on my back

And call me your baby  
i kissed away the tears you cried  
and then you go and leave me  
pissed off and alone  
yeah, it's all about your sweet thing  
or maybe it's the devil in your eyes  
yeah, what it takes to make this love survive

Sometimes i feel that love is a crime  
Cause i remember, yeah, the very first time
