

# Aerosmith - Cheese Cake Intro

Tom: **F**

Cheese Cake(,)-

I'll post more when I get more but for now here's what I think is played for the and main riff:

(lots of feedback)

```
E----|
B----|
G-0--|
D-0--|
A----|
E----|
```

guitar 1(w/slide)-

The verse riff sounds the same as the first part of the intro except played at a faster tempo.

That's all I have right now. Send all comments, questions, corrections and additions to
