

Aerosmith - Chip Away The Stone

Tom: E

(base)

(E B Dbm A)

I saw you standing there I wondered who you were
 You looked right through me and I think we can concur
 That you don't know my name my claim to fame but I'm not the same
 As all the other guys who play the game but look so lame

A B
 And see what they became

E B A
 Now its begun and I am the one

Your only hero on the stage

I can't complain out in the sun
 The lights don't shine for everyone
 They shine on me For all to see its history
 Now its begun and I am the one
 I am the one I am the one I am the one

(E B Dbm A)
 So now the tables turned and you know who I am
 The boy who made the grade and now you give a damn
 But hey its much too late to make that date accept your fate
 Your just another girl that I don't rate and wrapped in hate
 Obsessed about her weight

Acordes
