

# Aerosmith - Chip Away The Stone

Tom: E

(base)

(E B Dbm A )

I saw you standing there I wondered who you were  
 You looked right through me and I think we can concur  
 That you don't know my name my claim to fame but I'm not the same  
 As all the other guys who play the game but look so lame

A B  
 And see what they became

E B A  
 Now its begun and I am the one

Your only hero on the stage

I can't complain out in the sun  
 The lights don't shine for everyone  
 They shine on me For all to see its history  
 Now its begun and I am the one  
 I am the one I am the one I am the one

(E B Dbm A )  
 So now the tables turned and you know who I am  
 The boy who made the grade and now you give a damn  
 But hey its much too late to make that date accept your fate  
 Your just another girl that I don't rate and wrapped in hate  
 Obsessed about her weight
