

# Aerosmith - Fallen Angels

Tom: C

There's <sup>C</sup>A candle <sup>Am</sup>Burning in this world tonite  
 Another child who vanished out of sight  
 And a heart is broken, another prayer in vain  
 There's a million tears that fill a sea of pain

<sup>F</sup>Sometimes I <sup>G</sup>stare out my <sup>C</sup>window  
<sup>F</sup><sub>F</sub> <sup>G</sup><sub>G</sub> <sup>C</sup><sub>C</sub>

My thoughts all drift into space  
 Sometimes I wonder if there's a better place

<sup>C</sup>Where do fallen Angels Go? (I just don't know)  
<sup>G</sup>Where do fallen Angels go? They keep falling (They keep falling)

-- [ acordes ] --

<sup>C</sup> = x32010    <sup>G</sup> = 320022    <sup>F</sup> = 133211    <sup>Am</sup> = x02210
