(parte )2

(parte 3)

(parte 3)

Long ago in days untoled  
Were ruled by lords of greed  
Maidens fair, with gold they dared  
To bare their wombs that bleed  
Kings And Queens and guillotines  
Taking lives denied  
Starch and parchments laid the laws  
When bishops took the ride

Only to decieve

Oh I know I  
Lived this life before  
Somehow I know now  
Truths I must be sure  
Tossin' turnin', nightmares brunin'

Dreams of swords in hand  
Sailing ships, the viking spits  
The blood of father's land

Only to decieve ((partel e (parte2)

Living times of knights and mares  
Raising swords for maidens fair  
Sneer at death, fear only loss of pride  
Living other centuries  
Deja v?or what you please  
Follows true to all who do or die

Screams of no reply  
They died  
Screams of no reply  
And And died...

Lordly, lordly, they died.  
(Solo de Baixo)  
(Solo de Guitarra)

Let them do or die...  
Let them no reply...
