

Aerosmith - Under My Skin

Tom: **G**

DROPPED D TUNING!!!!!!

(ebgda**D**)

Intro:

VERSE (listen for timing)

PRE-CHORUS (timing is kinda fucked here, so I'll just give you the basics)

CHORUS

D

girl...

C

under....

Bb

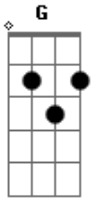

yeah yeah yeah

A

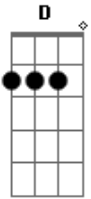

yeah

For the solo just mess around in the key of C. That's it for the song, 4 easy parts to learn. If anyone can **TAB** out the highly over-produced middle part of the song before the solo go for it.
