

Afra Nascimento - Minha Agonia

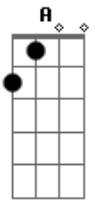

Tom: C

Pensando em voce **C** escrevo **Db** essas **Dm** linhas **G7** marcadas
 Lá fora o tempo nao pára
 Talvez eu esteja tao perto de ti
 Num sonho que trago na minha memória
 Na doce lembrança de um cálice ao dormi

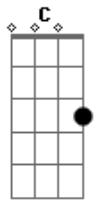

Nas sutilezas nos gestos insanos vidas que vem e que vai

Hoje amor, faz um ano que eu te conheci
 Seu perfume embriaga-me nao esqueci
 O silencio e a distancia nao sei como sobrevivi
 Hoje amor, nossa cama no quarto tao fria
 Alguns versos que faço na minha agonia
 Velhas fotos os livros, uma noite vazia
