

Afra Nascimento - Que Amor É Esse

Tom: G

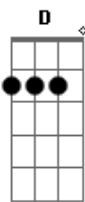

Cai a chuva é noite fria lá fora
 Meu desejo por ti nao tem hora
 Outra noite madrugada vazia
 Prisioneiro desse amor do passado
 Grito de dor paixao insana ao teu lado
 Coração na boca sofre calado
 Paixao que dilacera assim nao termina

So mais uma noite que finda
 E o vazio da cama te chama
 Sigo pelas ruas sem rumo
 Pelas praças meu desespero
 E em todo o rosto é voce quem eu vejo
 Que amor é esse que chora em silencio
 Que amor é esse razao do meu viver
 Que amor é esse que insiste em te querer
 A sofrer amor como estou vivendo por viver
