                     Dm
Intro:  Dm   Bb   Dm

Dm
Couloured chambers, Fine illusions, or a gate to space
Dm
Endless stairways, fine delusions, all under my command
Dm
I'd change the sky to paint it red
Dm                                           Bb
I'd change the colours of life, and play with time

        D
Cause it's only everything
Em          C           Em                    C          Em
And wise, wiser than time, wiser than life, wiser than me,
only me
D                  Bb                          Dm
This is the end of all reason, the inner mirror reveals
Dm
There's more beyond what you're sure of, the fantasy of dreams

Bb             Gm
There, while exploring dimensions
Dm              D            Em
There is more, only everything
Em              C         B
Dream! As bright or dark, as warm or hard the mind is set on
Em              C         B
Dream! You lose control, you lose your freedom to confine it
C
I don't want to see this
C                        G         Em
I don't want this pain I never knew before
Em
Feel, we're on the loose
Em
Impressions are enlarged
C
I don't want to hear this, I don't want to dream to feel this
again
C     Db
Or to get a taste
D               Dm
This could be the end of all reason, the inner mirror reveals
Dm
There's more beyond what you're sure of, the fantasy of dreams

Bb             Gm
There, still exploring dimensions
Dm
There is more, only everything
Am
```

```
Become me, come feel along with all you see
Am  F                  G
Control me, control the keys
          Am
Do you dare to be
A                                    F
So deep, will you surrender now to your sleep?
                     G
Re-live your daydreams and
Am
Come join this inner wonderland
Am
Come let every emotion stand
F
To be right under your command
          G
To let out fantasies
Am
To change them into mysteries
Am
Where time loses all memories
F
To luck and bitter agony
          G
Re-live your daydreams awake
Em   C   Em   C   Em
Dbm                              E
So join the magic of your life
Dbm
Just dare to take the inner drive
A                                    B         Em      E
To see it's only everything you can be doing tonight
Em          C                        B
Dream! as cool or hot, as smooth or rough the mind's creating
Em          C         B
Dream! Enjoy the ride, enjoy the boundless journey you can
make
C                                            G          Em
I can be the maker, I can be the queen of time and twisted
games
Em
See you're on the loose
Em
Images enlarged
C
I will need no reason
C                                                    Db
I just need the mirror inside me to reveal what's down below
D                                            Dm
This must be the end of all reason, the inner mirror reveals
Dm
There's more beyond what you're sure of, the fantasy of dreams

Bb             Gm
There, while exploring dimensions
Dm
There is more, only everything
