

After That - Beauty Queen

tom:
 Gbm
 Gbm Dbm Bm
 It's 4:00 am
 Gbm Dbm Bm
 I'm not sure if I can
 Gbm Dbm
 Sleep tonight
 Bm E
 Only wish you by my side
 Gbm Dbm Bm
 I can't forget the last night
 Gbm Dbm Bm
 Her gaze was like a strong light
 Gbm Dbm
 Which led me to another dimension
 Bm E
 Her mouth that made me have other intentions
 Gbm Dbm
 And I don't know why
 Gbm Gbm
 My troubles seemed so far away
 Bm
 If it's just a game
 E
 I just want to play

A
 Beauty queen
 Bm Dbm
 I don't know what your look means
 Bm A
 Mysterious and immense as the sea
 Bm Dbm
 In which I want to get lost

A
 Beauty queen
 Bm Dbm
 Don't be afraid, just hold on me
 Bm A
 I'll protect you in my arms at the end
 Bm Dbm Bm E
 Just kiss me all night long

Gbm Dbm
 Do you remember the first time?
 Gbm Dbm
 That ragged excuse
 Gbm Dbm
 To talk to you
 Bm E
 I looked like a fool

D Dbm Bm
 You took me out of my own darkness
 D Dbm Bm
 You taught to see life in another way
 D Dbm Bm
 You taught that here is a better place
