

Afterglow - Mend This Heart of Mine

tom:

Intro: Em G Em

There's nothing I can find
 To mend this heart of mine
 There's nothing
 That can make me forget you
 Well I tried everything
 That pleasure could bring
 But my soul feels empty and blue
 Cause I know that I'm nothing
 Without you by my side
 You brought me sunshine every day

D G B
 Took all my blues away
 Solo: Em G
Em G
 I long for your embrace
Em G
 And to see your smiling face
Em C D D2 D D D
 That makes my life seem worthwhile
Em G
 Well I just can't bear
Em G
 To know that you're not there
Em C D D2 D D D
 Because I need you to reconcile
C Em
 Cause I know that I'm nothing
D Em E
 Without you by my side
E B
 You brought me sunshine every day
D G B
 Took all my blues away
