

# Afterglow - Mend This Heart of Mine

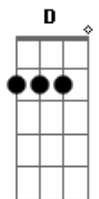

tom:

Intro: Em G Em

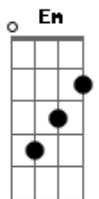

There's nothing I can find  
 To mend this heart of mine  
 There's nothing  
 That can make me forget you  
 Well I tried everything  
 That pleasure could bring  
 But my soul feels empty and blue  
 Cause I know that I'm nothing  
 Without you by my side  
 You brought me sunshine every day

D G B  
 Took all my blues away
